What are we doing?

We will be kicking off our Kids Ride Free program on June 15<sup>th</sup>, 2019. Youth Ride Free is a Rideshare program that allows K-12 students to take the UTrans bus for free. No pass is required. Students simply present their student ID to the driver (when they've been issued one – for younger students this may not apply).

What's changing?

Currently children 5 and under ride free and all other students grades 1-12 are \$1/ride or a \$20 reduced monthly pass for unlimited rides.

Going forward all students will ride free. High School students will show their ID to ride free. All High School students will ride free with an ID, even if they are 18 or over.

**High School students will be required to show their ID and we will be tracking the number of rides provided to High School Students as we will be tracking the outcome of this program.**
